Re: Monthly Police Report July 2015

During the month of June 2015 the La Pointe Police responded to the following:

88	Incidents/Complaints
7	Citizen Assists
10	Vehicle Registrations
2	Accidents
2	Civil Process
1	False Alarm
4	Animal Calls

June was a good month in general, even though the numbers show twice as many calls as May this is normal for June. Summer is now here, and things are getting busy.

The two new officers have been working out just fine and they are learning the ropes. All of our part time staff have been applying for full time jobs elsewhere and I just hope we can keep them long enough to last the season it is just the nature of the business in today's climate. In the event one does leave, I do have one more on an eligibility list that I can call. . So far all of the Part Time Staff have been doing a good job this summer, we are lucky to have them.

Adam Hage has pretty much gotten the new squad fully functional and we are using it every day. There was a hold up with the graphics company and they were not able to get it done before the 4th like I had wanted it. They assured us they will get us in when they can; it is their busy season as well.

The 2007 Interceptor (Crown Victoria) was picked up by Auction Associates on July 7. It is now out of our hands, the next scheduled Auction is October 10.

I have learned of a new equipment grant through the Department of Justice for computers to be put in our squads. There is no guarantee, but I will be looking into this grant this month.

As this report was done after the 4th of July, I can give you a brief precursor to next months report. I am happy to report that the 4th of July weekend seemed to go off with very little problems.

As always, if you have any questions for me, please stop in and visit my office.
